

Could you offer help at home to people in your neighbourhood?

We can help you to
work on a **self-
employed** basis or
set up and run **your
own small
enterprise** offering
help at home for
people in South
Kirklees.

unlocking potential **effecting change**

- Got some spare time or want to work flexible hours?
- Ever fancied being self-employed or setting up your own small community enterprise?

Community Catalysts runs a free development programme which can support you to become self-employed or to develop your small community enterprise.

We are particularly keen to hear from people in and around Holmfirth, Honley, Meltham, Kirkheaton and Skelmanthorpe.
