

COME AND MEET LOCAL ARCHAEOLOGISTS!

FREE ENTRY!

We want to raise your interest in local archaeology and perhaps persuade you to join our Society.

There will be displays about past and current digs in your local area, plus short talks and demonstrations showing equipment used on digs.

Also, you might enjoy the exhibition of local finds, and artefacts produced by experimental archaeology, plus the opportunity to bring in your discoveries for us to try to identify.

Saturday, October 24, 2026

10am to 4pm
Tolson Memorial Museum, Wakefield
